Building Circles of Support

For Parents of Children with Fetal Alcohol Spectrum Disorder (FASD)

For parents, caregivers, educators and other professionals who work with and/or support children with an FASD diagnosis.

Building Circles of Support is an eight week Fetal Alcohol Spectrum Disorder information series facilitated by professionals at the Manitoba FASD Centre in Winnipeg via Tele-Health.
A different topic will be discussed each week.

Topics will include:

What does it mean that my child has FASD?

- How will FASD affect their behavior, school performance and social interactions?
 - How can I help others understand my child's disability?
 - How can I help my child understand his/her disability?
 - How can I help my child develop his/her strengths?

. Building Circles of Support will start January 10th –it will be held every Tuesday for 8 weeks from 4:30-6:30 at The Pas Hospital- 1st Floor Board Room
